ClearCube Model DTi31322/42, DTi51322/42, DTi71322/42 – NUC Discontinuation Notice

Overview:

Effective September 9, 2025, ClearCube is discontinuing the DTi31322/42, DTi51322/42, and DTi71322/42 NUC computers. These models will remain on the ClearCube price lists until inventory has been exhausted. Incoming orders with quantities that exceed existing inventory will automatically be filled with the appropriate follow-on NUC computer models listed below.

Product Transition:

The DTi31322/42, DTi51322/42, and DTi71322/42 are replaced by the DTi31522/42, DTi51522/42, and DTi71522/42, respectively. All new units are currently available from ClearCube and our partners.

Warranty Support:

ClearCube will honor all existing warranties on the DTi31322/42, DTi51322/42, and DTi71322/42 until they expire. During this time, customers will continue to receive full assistance from ClearCube Technical Support.

Marketing Materials:

All references to the DTi31322/42, DTi51322/42, and DTi71322/42 will be removed from the product pages and partner portal but will remain on the support site for support issues and driver downloads.

Should you have any questions regarding this matter, please do not hesitate to contact me directly at 512-652-3410.

Sincerely,

Doug Layne
