- **SMBs**

Part Number	Part Description
G0900444	DTi3522, NUC Mini PC, Copper, 2x HDMI, No CAC

BENEFITS

Provides all-around great multimedia support

Increases security of physical and data assets

Small form factor

Compatible with client drawer

Rear View

TOTAL PERFORMANCE

With 4K resolution display the DTi3522 NUC Mini PC offers a great all-around multimedia experience for video streaming and design work.
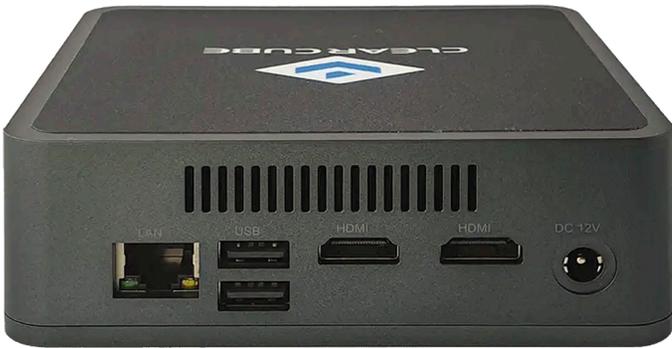

FEATURING INTEL® BROADWELL I3-5005U DUAL CORE PROCESSOR

Powered by the legacy 5th generation Intel Broadwell i3-5005U dual-core processor, with support for up to 8 GB DDR3L RAM, DTi3522 delivers high-performance multimedia and 4K graphics in a compact, space-saving form factor.

The DTi3522 Mini PC is the perfect solution for entry-level stand alone or networked initiatives in a wide variety of usages scenarios like enterprise, state and local government, hospitals desktops by offering sufficient speed to perform daily computing tasks like web browsing, using email or creating documents.

GREAT FOR THE HOME OR OFFICE

If you are thinking about sending the employees home with a compact device that they can carry back and forth to the office, the DTi3522 streams up to 4K video and is small enough to tuck away so it hardly takes up any room.

Enjoy up to 2 monitors so you can Zoom or having Microsoft Teams up on one monitor while working on a CRM or Excel Sheet on the other. This amazing micro-desktop PC is plug-and-play ready. Just hook up a monitor, keyboard and mouse and you'll enjoy all the benefits of a 'totable' computer without the pricetag of a laptop.
